# A Guide to CACHE Child Care

## Course Components (a more detailed explanation of skills and topics)

### Examination Paper 1 – Unit 3: Childcare and development 0-5 years

This unit will assess your knowledge about the development of children aged 0-5 years. You will be expected to know about the different types of care settings and your responsibilities if you were learning how to work with children. You will need to show that you understand how children develop, what can affect their development and the individual needs they may have. You will need to show that you know ways to care for them and simple activities that help them to develop in a healthy and safe way. You will also need to show that you understand the ways that can support your own learning.
