Dear Y10 Parent/ Carer,

Re: Monday 22nd and Tuesday 23rd March, **Year 10 are not to attend school**

Unfortunately, this week we have had a number of students who have tested positive for Covid-19 in year 10 and one member of staff. Close contacts of these students were identified and are isolating - a huge thank you to parents and carers who have been fully supportive of these health and safety measures.

As a precautionary measure, all of year 10 students need to stay at home on Monday 22nd and Tuesday 23rd March - this will allow four days of non-usage of the area and the chance to deep clean the year 10 bubble.

It is vital that year 10 students continue their learning from home by following their normal timetable and attending their live mentor time and lessons - a reminder that this is all on google classroom.

When year 10 students return on Wednesday 23rd March, they will undertake a lateral flow test in school.

We appreciate that this is disruptive to you and your family, however, I hope you can appreciate the importance of these actions to keep the community safe.

Yours sincerely

Kate Williams

Headteacher
