Scheme of Delegation
I:\12. POLICIES & STATUTORY DUTY\3. Statutory Documents (Non-Policies)\Scheme of Delegation – Ratified May 23

Model Scheme of Delegation

How does this document link to the Regulatory Framework?

The legal framework

Regulation 18, Parts 3 and 5 of The School Governance (Roles, Procedures and Allowances) (England) Regulations 2013 allows governing bodies of schools to delegate their financial responsibilities to

- a) a committee
- b) any governor
- c) the head teacher (whether or not they are a governor)

Approval to the first formal budget plan of the financial year may only be delegated to a committee, not to an individual – (normally the Finance Committee)

Where the Governing Body has delegated functions, this shall not prevent the Governing Body from exercising those functions

The Model scheme

The model scheme gives an **EXAMPLE** of how the Governing Body **COULD** allocate responsibilities between themselves, the Finance (or equivalent) Committee and other school staff. Governing bodies may decide to delegate their responsibilities in a different way, but they must ensure that they comply with the relevant regulations. In framing the regulations and deciding on the allocation of responsibilities, Governing Bodies must have regard to the law and to the Scheme for Financing Schools, Financial Regulations and Standard Financial Procedures and Procurement Standing Orders for schools, as approved by the Council.

Terms

Governing bodies should change references to committee names and job titles to those used in their school.

In the Model scheme the following terms are used:

- Finance Committee (equivalent to Personnel and Finance Committee at Longhill)
- Finance Person (equivalent to School Business Manager at Longhill)

POLICY REGARDING THE DELEGATION OF GOVERNING BODY FINANCIAL POWERS AND DUTIES

INTRODUCTION

As the Governing Body of Longhill High School with responsibility for managing a delegated budget as defined by the Schools Standards and Framework Act 1998 Chapter IV and amended by S41-43 and S45 of the Education Act 2002, we are responsible for ensuring that the school complies with the Scheme for Financing Schools, Financial Regulations and Standard Financial Procedures and Contract Standing Orders for schools, as approved by the Council. Many of the Governing Body's responsibilities will be delegated to a committee of the Governing Body and to the Headteacher. To ensure that sound financial control is maintained, this policy statement clearly specifies the extent of delegation and responsibility at this school.

In accordance with Regulation 14 of the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013, the meeting of the Governing Body which adopted this Scheme of Delegation did have a quorum of half (rounded up to a whole number) of the membership of the Governing Body when complete.

The Scheme of Delegation must be operated in conjunction with the Scheme for Financing Schools, Financial Regulations and Standard Financial Procedures and Procurement Standing Orders for schools. We require our own written local internal financial rules to support the Scheme, our policy and to detail operational procedures.
