BBQ and Prom

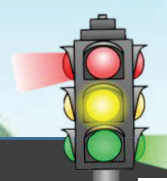

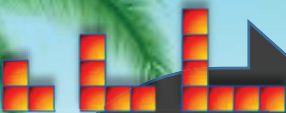

TERM 6

Revision and examinations

TERM 5

Revision and examinations

Listing & describing

TERM 4

Transforming & Constructing

Show that.

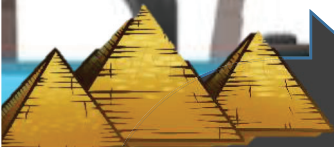

Multiplicative reasoning

TERM 3

Multiplicative reasoning

Algebraic reasoning

$$v = \sqrt{\frac{L}{g}} \text{ at } T = 2\pi \sqrt{\frac{L}{g}}$$

Changing the subject

TERM 2

Expanding & factorising

Functions

M 1

Gradients & lines

Non-linear graphs

Using graphs
